MEMORANDUM FOR : Audit Liaison Officer

SUBJECT : Contract No. HF-EN-590 - Rochester, New York

The following information is submitted in response to letter from Sy dated 3 November 1958, regarding final audit of the subject contract:

- a. The contractor has delivered and this office has accepted the work and services required by the contract.
- b. The records of this office do not indicate that any equipment in addition to that listed in the contractor's final property inventory of 5 December 1958 was acquired under the contract. Further, these records do not disclose any equipment being furnished by the Government for contract performance.
- c. The contractor will be furnished instructions for disposition of all the final property inventory in the near future.
- d. The contractor has complied with the patent and reporting of royalties provisions of the contract.
